**Billings Logan International Airport Stormwater Improvements Project**

May 23, 2025

The Honorable Tom Cole  
Chairman  
Committee on Appropriations  
H-305, the Capitol  
Washington, D.C. 20515

The Honorable Rosa DeLauro  
Ranking Member  
Committee on Appropriations  
1036 Longworth HOB  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Billings Logan International Airport Stormwater Improvements Project in Fiscal Year 2026. The entity to receive funding for this project is the City of Billings, MT, located at 316 N. 26th Street, Billings, MT 59101. This project will improve and expand stormwater Pond E at Billings Logan International Airport (BIL) to increase capacity to address additional runoff from newly developed commercial aeronautical areas on the airport. The project is an appropriate use of taxpayer funds because it will prevent the uncontrolled runoff that currently affects airport property and neighboring residential areas.

The project has a federal nexus because the funding provided is for purposes authorized by 49 U.S.C. 47100 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Respectfully,
