The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Joliet Community Health Center Construction Project in Fiscal Year 2027. The entity to receive funding for this project is Yellowstone City-County Health Department located at 123 South 27th Street Billings, MT 59101. The funding would be used to create a modern, four-exam room primary care facility. The project is an appropriate use of taxpayer funds because the area is currently facing provider shortages and the clinic will expand access to preventative and comprehensive care.

The project has a federal nexus because the funding provided is for purposes described in Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Respectfully,
