The Honorable Rosa DeLauro
Ranking Member
Committee on Appropriations
1036 Longworth HOB
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Laurel EMS new medical equipment in Fiscal Year 2027. The entity to receive funding for this project is the town of Laurel Emergency Medical Services, located at 215 West 1st Street, Laurel, MT 59044. The funding would be used to replace and modernize critical emergency medical equipment. The project is an appropriate use of taxpayer funds because this equipment will improve Laurel EMS's ability to provide critical healthcare services to the city's residents.

The project has a federal nexus because the funding provided is for purposes described in Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Respectfully,
